Even with a late start this year, the yearbook was finished on time. Thanks go to the yearbook staff who put in their time and effort to get the book done. We had nineteen students who all worked hard to complete their sections and who all did a terrific job.

I would like to thank Mrs. Fegley and Kris Kemerer for their contribution to the cover design. Also I would like to thank the photo club and Mr. Hoelzle for their help in developing and processing our film. A special thanks goes to Mrs. Walsh for typing our yearbook pages. I hope this book represents to you, your school year at F.M.S. for 1979-80.

Thank you,

Michele Locke
